

River's Edge - Phase Two

City of St. Louis Parks & Recreation

Location

St. Louis, Missouri

Construction Completion

2000

Construction Cost

\$5 million

Area

10 acres

DMA Services Provided

Architecture

Civil Engineering

Structural Engineering

Phase II of the project was the construction of the Monsanto Insectarium, which opened in May of 2000. The cost of the Insectarium was \$5 million and is one of only a handful of facilities in North America dedicated solely to bugs.

David Mason & Associates' scope of work provided architectural, civil and structural engineering for the River's Edge Project.

Phase Two Exhibits and Amenities:

McDonnell Center at River Camp (banquet center)

Paddlefish Point Picnic Area

Trail's End Refreshment Stand

Missouri Wetlands

Missouri River Aquarium
